1 Wireless printing requires a working Ethernet network with wireless 802.11b/g capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.

2 "Full HD Movie Print" is available from "MOV" movie files created by Canon digital cameras. From PC, or Mac with Intel® processor. Requires Canon ZoomBrowser EX 6.5 or later, or Canon ImageBrowser 6.5 or later.

3 Requires Canon Easy-PhotoPrint for iPhone app, available for free on the App Store, or Canon Easy-PhotoPrint for Android app available for free in the Android Market. Compatible with iPhone 3G, 3GS, 4, iPod touch and Android devices running Android OS 1.6 or later.

4 Resolution may vary based on printer driver setting. Color ink droplets can be placed with a horizontal pitch of 1/9600 inch at minimum.

5 Specifications are subject to change without notice.

6 Supported paper types for borderless printing are as follows: Photo Paper Pro Platinum, Photo Paper Plus Glossy II, Photo Paper Plus Semi-gloss, Photo Paper Glossy and Matte Photo Paper.

7 USB flash memory with security enabled may not be used. Requires an extension cable if cannot be attached.

8 ISO/IEC 24734, 24735 define the default print and copy speed measurement methods. Print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734, excluding time to print the first set. Copy speed is the average of FCOT, ISO/IEC 24735 Annex D. ADF copy speed is the average of ESAT in General Performance Test for the default simplex mode, ISO/IEC 24735, excluding time to copy the first set. See www.usa.canon.com/ipm for additional details. Optical resolution is a measure of maximum hardware sampling resolution, based on ISO 14473 standard.

9 Photo print speeds are based on the standard mode driver setting using photo test pattern(s) and select Canon Photo Paper. Print speed measured as soon as first page begins to feed into printer and will vary depending on system configuration, interface, software, document complexity, print mode, types of paper used and page coverage. See **www.usa.canon.com/printspeed** for additional details.

10 For network users, Auto Scan Mode is only available when scanning at a computer using MP Navigator EX software and selecting the 1-click feature then "save to PC."

11 Requires mobile phone equipped with PictBridge technology and a USB cable.

12 Requires mobile phone (or other device) equipped with Bluetooth v2.0 technology and optional Canon Bluetooth Unit BU-30. Bluetooth operation depends on the device and software version used. Operating distance is approx. 10 meters but may vary due to obstacles, radio signals, locations where radio interference occurs, magnetic fields from microwave ovens, device sensitivity and/or antenna performance.

13 Requires mobile phone or other device with IrDA port positioned no more than 7.9 inches from the printer.

14 Compatible memory cards include SD™ Memory Card, SDHC,™ MultiMediaCard® MultiMediaCard® Plus, CompactFlash® Card, Microdrive,® Memory Stick,® Memory Stick PRO,™ Memory Stick Duo™ and Memory Stick PRO Duo.™ The following can be used with the addition of a special adapter sold separately: miniSD™ Card, miniSDHC,™ microSD™ Card, microSDHC,™ RS-MMC,™ Memory Stick Micro, xD-Picture Card,® xD-Picture Card® (Type M), and xD-Picture Card® (Type H).

15 Easy-PhotoPrint Pro is available as a plug-in.

16 Compatible with Microsoft Internet Explorer 7 in Windows 7, Windows Vista or Windows XP only. Not included on installation CD. Requires Internet connection during installation.

17 System requirements vary by application.

18 Warranty programs are subject to certain conditions and restrictions. See **www.usa.canon.com/support** for details.
